

# National Marina Day June 12, 2010

Please join the [Clean Marina Program](#) and the [Association of Marine Industries](#) in celebrating National Marina Day, Saturday, June 12, 2010.

National Marina Day is a day for celebrating marinas and all they bring to their communities as gateways to our nation's waterways. On this day marinas are asked to open their doors to their neighbors and let them experience the marina lifestyle, learn about the waterfront environment and see firsthand all the fun that can be had recreating on the water. Join us and help spread the word. Visit [www.nationalmarinaday.org](http://www.nationalmarinaday.org) for more information and to register your event.

*National Marina Day is managed by the Association of Marina Industries, a non-profit membership organization dedicated exclusively to serving the needs of marinas nationwide*
