

# **Report #2 Outline: Summary of Lessons Learned from the DWH Incident**

*Problems encountered, suggestions for improvements in federal/state laws, identification of best practices, recommendations, and lessons learned.*

## **1) Executive Summary**

- a) Using published reports and/or interviews:
  - i) Outlines issues and problems that arose in the DWH response that could be improved by changes in state and/or federal law
  - ii) Includes recommendations from the major federal agencies actively involved in oil spill response and planning
  - iii) Consolidates the best response practices from collective lessons learned from DWH response

## **2) Introduction**

## **3) Published Reports**

- a) Federal
  - i) Deepwater: The Gulf Oil Disaster and the Future of Offshore Drilling – Report to the President
  - ii) Lessons Learned from the Deepwater Horizon Response – NIOSH – DHHS – CDC
  - iii) BP Deepwater Horizon Oil Spill – Incident Specific Preparedness Review (ISPR) – USCG
  - iv) On Scene Coordinator Report – Deepwater Oil Spill – Submitted to the National Response Team – September 2011 – USCG
  - v) Deepwater Horizon Oil Spill: Highlighted Actions and Issues, CRS Report for Congress R41407
  - vi) Other Resources (TBD)
- b) State
  - i) Florida House of Representatives Workgroups 1–6
  - ii) DWH After Action Report/Improvement Plan, Florida Department of Emergency Management
  - iii) Other Resources (TBD)
- c) Local
  - i) Resources (TBD)
- d) Industry (Responsible Party, Directly Impacted and Indirectly Impacted Parties, Response Contractors)
  - i) Deepwater Containment and Response: Harnessing Capabilities and Lessons Learned
  - ii) Deepwater Horizon Accident Investigation Report
  - iii) Progress Report on Industry Recommendations to Improve Oil Spill Preparedness and Response – Joint Industry Oil Spill Preparedness and Response (JITF)
  - iv) The Deepwater Horizon Oil Spill and the Gulf of Mexico Fishing Industry – Congressional Research Service (CRS)

v) Other Resources (TBD)

#### **4) Interviews**

- a) Federal agencies
- b) State agencies
- c) Local agencies
  - i) Counties
  - ii) Cities
- d) Industry
  - i) Responsible party
  - ii) Fishermen
  - iii) Tourism development agencies
  - iv) Indirectly impacted parties

#### **5) News Media Coverage**

- a) Information exchange
- b) Online and social media
- c) DWH media coverage results

#### **6) Conclusion**

- a) Lessons learned matrix
  - i) Communication
  - ii) Authorizations
  - iii) Process
  - iv) Monitoring

#### **7) Recommendations**

#### **8) References**
