

Mississippi-Alabama Gulf of Mexico Alliance Stakeholder Meeting

Presented by the Gulf of Mexico Alliance in partnership with the Mississippi Department of Environmental Quality (DEQ); Mississippi Department of Marine Resources (DMR); Grand Bay and Weeks Bay National Estuarine Research Reserves' Coastal Training Programs; Alabama Department of Conservation and Natural Resources (ALDCNR), State Lands Division, Coastal Section; the U. S. Environmental Protection Agency's Gulf of Mexico Program (EPA/GMP); Mississippi State University (MSU); and the National Oceanic and Atmospheric Administration's (NOAA's) Coastal Services Center (CSC)

Wednesday February 1, 2006

8:30 AM – 4:00 PM

at

Mississippi State University Coastal Research and Extension Center

1815 Popps Ferry Road

Biloxi, MS 39532

(See reverse side for directions)

This meeting is designed to gain local perspectives on critical issues related to the environmental and economic health of the Gulf of Mexico. Information gathered during the stakeholder meeting will be incorporated into an *Action Plan* that will be presented at a summit meeting in Corpus Christi, TX in March 2006.

Lunch will be provided to participants free of charge!!

To register for this event, please complete the following information and return it to the Mississippi Department of Marine Resources (attn: Marian Dicas); 1141 Bayview Avenue, Suite 101; Biloxi, MS 39530, OR fax the completed form to Marian Dicas at 228-374-5030.
