This directory is a list of businesses that offer canoe livery and rental services on the Florida rivers listed below. This information is provided to inform the public about the Florida Greenways and Trails System and recreational paddling opportunities available in the state. Canoes provided by rental services in state parks are generally for use on the water body at the location of the individual park.

The Florida Department of Environmental Protection makes no endorsement or representation of companies or businesses listed, and assumes no responsibility for information inadvertently omitted. The omission of any canoe livery or rental service is not intentional. Corrections and additions will be included in future publications. Please send revisions to the above address.
