

# Rinehart Road/Crossings Trail

The Rinehart Road/Crossings Trail is a paved recreational trail in the community of Lake Mary. This local trail has been classified by Seminole County as a Connector Trail in the county's system of greenways and trails because it will provide a connection between two of the County's Showcase Trails. The trail presently connects local neighborhoods to several major shopping areas on Lake Mary Boulevard. Eventually, it will be a part of the Seminole Wekiva to Cross Seminole Connector which will create a continuous trail over 30 miles in length within the County, and connect to the Cady Way Trail and the Little Big Econ Greenway in Orange County.

# Rinehart Road/Crossings Trail

---

**Major Activities:** Walking, Hiking, Biking, In-Line Skating, Wheelchair

**Trail Length/Surface:** 3.6 miles (non-motorized paved trail)

**Fee:** None

**County:** Seminole

**Nearby Towns:** Lake Mary, Orlando

**Notes:**

Be sure to visit Seminole County's informative website for details regarding this and other trails. See web address below.

**Access/Directions:**

Parking for the trail is available at the intersection of Rinehart Road and Lake Mary Boulevard at the large Lake Mary sign and fountain. From Orlando, take I-4 East to Lake Mary Boulevard Exit 50 (new Exit 98). Turn right on Lake Mary Boulevard and travel past Rinehart Road. After passing Rinehart Road, turn left at the first driveway after the Lake Mary sign.
