

# Gainesville–Waldo Road Greenway

This nicely landscaped trail follows a former rail corridor through residential and industrial areas in southeast Gainesville. It connects to the Gainesville-Depot Avenue Trail at its southern end, allowing for an extended trail experience. These trails are part of a growing network that will ultimately provide access to the Gainesville-Hawthorne Trail State Park via the Gainesville-Downtown Connector.

**Major Activities:** Walking, Biking, Inline Skating, Wheelchair

**Trail Length/Surface:** 2.6 miles, paved

**Fee:** None

**Counties:** Alachua

**Nearby Cities:** Gainesville

## Directions/Access:

Access is available at crossroads along the length of the trail.
