Dear Governor Scott, President Haridopolos and Speaker Cannon:

In 2010, the Legislature created Section 216.0153, Florida Statutes, requiring the Department of Environmental Protection (DEP) to submit to the Governor, the President of the Senate and the Speaker of the House of Representatives by October 1 of each year a list of state owned property recommended for disposition.

This report is enclosed and includes a list of state owned property with potential for disposition (including vacant land and land with facilities) compiled by DEP and the Department of Management Services. Also included are properties sold and properties placed under management leases since the March 1, 2011, interim disposition report.

If you have any questions or concerns, please feel free to contact Mike Long, Assistant Director, Division of State Lands, at 820-245-2555 or Mike.Long@dep.state.fl.us.
