# WILD COLLECTION, NON-NURSERY CULTIVATION, RESEARCH OR OTHER ACTIVITIES INVOLVING NON-PROHIBITED AQUATIC PLANTS

Complete all sections that apply. A separate application is required for each collection or non-nursery cultivation site.

## SECTION C

Application for collection or non-nursery cultivation of non-prohibited aquatic plants in **non-sovereignty** submerged lands, must provide all additional information listed in 1 and 2 below:

1. A plan which will provide reasonable assurance that the removal of aquatic plants from the site will not result in the dissemination of any noxious or prohibited aquatic plants listed in Rule 62C-52.011 (formerly 62C-52.011)F.A.C.
2. A description of the proposed site which shall state the location of the site; the size of the site, including boundary dimensions; the size and location of plant communities within the site; include a diagram of the site, including explanation of all symbols, legends, and patterns used.

Application for collection or non-nursery cultivation of non-prohibited aquatic plants in **sovereignty** submerged lands, must provide all additional information listed in 1 and 2 above and 3 below:

3. A plan which will provide reasonable assurance for the continued maintenance of self sustaining native aquatic plant populations within the site.

## SECTION D

Applications for collection or non-nursery cultivation of non-prohibited aquatic plants on non-sovereignty lands must provide the following:

Landowner Name \_\_\_\_\_  
Street Address \_\_\_\_\_  
City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_  
County \_\_\_\_\_ Telephone \_\_\_\_\_

**ATTACH EVIDENCE OF OWNERSHIP OR EVIDENCE OF CONSENT OF USE FROM LANDOWNER**

## SECTION E

Applications for research or other activities must provide a description of the activity, source and amount of plant material, and duration of activity:

---

---

---

---

---

---

---

---

---

---

# POSSESSION OF PROHIBITED AQUATIC PLANTS

**Activity** (Select all that apply)

- Scientific Research     Importation     Cultivation for Wastewater treatment     Other Activity List \_\_\_\_\_

## SECTION F

Describe intended use of prohibited aquatic plants, include planned duration of activity:

---

---

---

---

---

## SECTION G

List prohibited plant species to be used, include quantity and source of plants:

Species Name	Quantity	Source

Attach additional pages if necessary

## SECTION H

Describe method of plant disposal at conclusion of activity:

---

---

---

---

---

---

---

---

---

---
