Re: Consent Order 06-2345-DF

Dear Mark:

The Department is in receipt of the City's February 26, 2010 letter requesting an extension of time to complete the EMA process. The Department concurs that the delay was caused by circumstances beyond its reasonable control and also concurs as to the proposed 3 month time extension. Should you have any questions please do not hesitate to call directly (850) 245-2258.

Best Regards,
