Re: Consent Order 06-2345-DF

Dear Mark:

The Department is in receipt of the City's May 21, 2009 email which incorporated a letter dated February 26, 2010 (believed to be scrivener error - Department will treat as May 21, 2010) requesting an extension of time to complete the EMA process. The Department concurs that the delay was caused by circumstances beyond its reasonable control and also concurs as to the proposed 3 month time extension. Should you have any questions please do not hesitate to call directly (850) 245-2258.

Best Regards,

Kirk S. White
Assistant General Counsel
