

PERMISSION TO ENTER PROPERTY TO CONDUCT
Site-Specific Activities (SSAs)
(Site Assessments or Limited Source Removals)
128(a) GRANT AWARD

1) _____ ("Undersigned"), Owner, hereby gives permission to the State of Florida Department of Environmental Protection ("FDEP") and its agents and contractors to enter the undersigned's property ("the property") located at _____, Florida

2) This permission is contemplated to be used for the FDEP's Site-Specific Activities and to include the following activities, which may be performed by the Department, its agents, representatives, and contractors to evaluate or remove environmental conditions that may be present at the property:

- a) To access all areas of the property including areas where environmental contamination may exist;
- b) To conduct interviews, photographs, site sketches and air monitoring;
- c) To collect waste, soil, surface water, sediment, and groundwater samples, if necessary, including, but not limited to, the installation of groundwater monitoring wells;
- d) To store, removal and disposal of investigated-derived wastes;
- e) To perform limited source removals, which may include excavation of contaminated soils, free product removal, removal of containerized waste, or other agreed upon removal action; and
- f) To use on the property of such equipment, including vehicles, excavation equipment, and drill rigs, as is necessary to perform the above activities.

3) The granting of this permission by the undersigned is not intended, nor should it be construed, as an admission of liability on the part of the undersigned or the undersigned's successors and assigns for any possible groundwater, sediment, air or soil contamination detected in the samples.

4) The FDEP, its agents, representatives or contractors may enter the property during normal business hours and may also make
