

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule repeals are not expected to require legislative ratification based on the information expressly relied upon and described herein: the Division of Pari-Mutuel Wagering conducted an analysis of the proposed rules' potential economic impact and determined that they did not exceed any of the criteria established in Section 120.541(2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 37, No. 42, October 21, 2011 issue of the Florida Administrative Weekly.

The correction is in response to comments submitted by the Joint Administrative Procedures Committee in a letter dated November 2, 2011. The correction is as follows:

The STATEMENT OF ESTIMATED REGULATORY COSTS shall read as: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members, determined that a Statement of Estimated Regulatory Cost (SERC) was not necessary and that these rule amendments will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time. The Board has determined that this will not have an adverse impact on small business, or likely increase regulatory costs in excess of \$200,000 in the aggregate within 1 year after implementation of the rule. Any person who wishes to provide information regarding the statement of estimated costs, or to provide a proposal for a lower regulatory cost alternative must do so in writing within 21 days of this notice.
