PERMIT APPLICATION REQUIREMENTS

5

6 **62-620.400 Permit Application Requirements.**

7 Permit application requirements are set forth in the Department of Environmental Protection Guide to Permitting
8 Wastewater Facilities or Activities Under Chapter 62-620, F.A.C. This guide contains procedures and requirements
9 to apply for permits for wastewater facilities or activities and the renewal of existing permits. It addresses
10 modifications to wastewater facilities or activities for which permits are required unless specifically excluded. It sets
11 forth general requirements which apply to applications for permits under this chapter and it sets forth additional
12 application requirements that apply to specific types of facilities or activities. Other Department rules which deal
13 with other aspects of wastewater facilities or activities are chapter 62-4, F.A.C., Permitting; chapter 62-25, F.A.C.,
