

FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION  
APPLICATION FOR PERMIT TO PERFORM GEOPHYSICAL EXPLORATION

Form 4  
Rule 62C-26.007

For information and fees regarding permission to conduct geophysical exploration refer to section 62C-26.007, Florida Administrative Code. File this form with the Chief, Florida Geological Survey, 903 West Tennessee Street, Tallahassee, Florida 32304-7700 (phone numbers 850/487-2219 and 488-4191; fax 850/488-8086).

Applicant's Name: \_\_\_\_\_

Mailing Address: \_\_\_\_\_  
\_\_\_\_\_

Phone Number: \_\_\_\_\_ Fax Number: \_\_\_\_\_ hereby requests a permit to  
conduct geophysical (seismic) exploration, to be done by \_\_\_\_\_ for  
(Applicant or Contractor)

\_\_\_\_\_ in \_\_\_\_\_  
(Company) (County or Marine Regulatory District)

as shown on the attached map(s) or hydrographic charts(s). This exploration will be along lines plotted on the attached map(s) or chart(s). (Show clearly all state lands and areas of critical concern which will be crossed when conducting this survey.) This survey will use the \_\_\_\_\_ method which \_\_\_\_\_ (will, will not) utilize explosive charges.

The area(s) covered by this application is (are):

- |   |   |
|---|---|
| <input type="checkbox"/> Private lands  | <input type="checkbox"/> Areas of critical state concern                                |
| <input type="checkbox"/> State land within a highway right-of-way using only a vibrating source | <input type="checkbox"/> Areas involving both private and state lands                   |
| <input type="checkbox"/> State lands other than in 2 (above)                                    | <input type="checkbox"/> Areas primarily on private lands but with state land crossings |
| <input type="checkbox"/> Water column above state lands   |   |

Attached exhibits include the following:

- |  |   |
|--|---|
| <input type="checkbox"/> Affidavit regarding permission to conduct geophysical operation | <input type="checkbox"/> Fire equipment   |
| <input type="checkbox"/> Plat maps   | <input type="checkbox"/> Shot hole drilling and plugging procedures and equipment |
| <input type="checkbox"/> Number of crews   | <input type="checkbox"/> Specialized equipment for wetland traverses              |
| <input type="checkbox"/> Composition of crews (personnel)                                | <input type="checkbox"/> Proposed track routes for vehicles in wetlands           |
| <input type="checkbox"/> Equipment   | <input type="checkbox"/> Land clearing (procedures and extent)                    |
| <input type="checkbox"/> Work schedules  | <input type="checkbox"/> Site reclamation   |
| <input type="checkbox"/> Energy sources  | <input type="checkbox"/> General statement of operations                          |
| <input type="checkbox"/> Storage, transportation and use of explosives                   |   |

The security for this survey is \_\_\_\_\_ (attached or on file) with the Florida Geological Survey (see Rule 62C-26.002) and bears Serial Number \_\_\_\_\_.

In accordance with Chapter 377.2409 F.S., we request the information contained in this application be held **CONFIDENTIAL**.
