 ERP Delegation Boundaries

MIAMI
COUNTY

erp_map.apr HCG 6/19/07

Disclaimers:

- Eastern boundary along Atlantic Ocean follows Erosion Control Lines, where they exist.
- Where there is no state designated ECL, the boundary follows the mean high water line of the Atlantic Ocean.
- Parcels on islands within Biscayne Bay, such as Key Biscayne and Star Island, contiguous to tidal waters are generally excluded from the delegation.
- Parcels contiguous to tidal tributaries, such as the Coral Gables Waterway, are generally excluded from the delegation.
- Sections surrounding natural tributaries, such as the Miami River and Oleta River, where state of Florida proprietary interest requires a parcel-specific determination, are generally excluded from the delegation.
- CERP project areas are outside the delegation boundary, with the exception of portions (located south of SW 88 Street) of the originally designated L31N Canal Seepage Management Project.
