

FLORIDA GEOLOGICAL SURVEY OPEN HOUSE 2023

WEDNESDAY, OCT. 11 • 11 a.m. to 3 p.m.

FOR ALL AGES: **GEOSCIENCE INNOVATING FOR EARTH AND PEOPLE**

EARTH SCIENCE WEEK

INTERACT

- Take a stroll through geologic time.
- Paint-a-rock and have fun with fossils.
- Examine rock samples through microscopes.
- Help a geologist obtain groundwater measurements.

EXPLORE

- Visit the newly renovated FGS Museum and examine rock and mineral specimens.
- See fossils of animals that roamed Florida in the past.
- Watch demonstrations on hydrogeology and unusual rock properties.
- Take a peek inside a deep well and see the FGS drill rig.

LEARN

- Learn about the rock cycle and how rocks impact our daily lives.
- Gain an understanding of how geology affects you.
- Discover how innovations in technology help us visualize Earth.
- Bring a rock, fossil or mineral and a geologist will identify it.

Waller's terror bird

ALSO ON-SITE

- Fired Up Pizza Food Truck.
